Certificate Course in **MUSIC THERAPY** for Health Professionals

Department of Geriatric Medicine,
Yenepoya Medical College,
Yenepoya (Deemed to be) University

Certificate Course in **MUSIC** THERAPY for Health Professionals

-  Music therapy has been found to be an effective non-invasive treatment option in various ailments.
-  The branch of music therapy and music therapy research in India are in the stages of infancy. It is essential to train health professionals, musicians and others in music therapy in order to explore the potential of music as a complementary therapy for improving health and wellness in the clinical settings.
-  This certificate course is intended to lay the theoretical and practical foundations of music therapy through a structured experiential learning framework.

DURATION 60 hours:

-  **Theory - 30 hours**
-  **Practical - 30 hours**

Modalities of TEACHING

-  **Interactive Lectures**
-  **Small Group Practical (hands-on) Demonstrations**
-  **Group Discussions**
-  **Case study in wards - Client assessment and design of Music Therapy Interventions**
