Yenepooya (Deemed to be University) Campus **Mangalore**, Karnataka

About Yenepoya (Deemed to be University)

Yenepoya (Deemed to be University) achieved its university status in 2006 under section 3A of the UGC Act 1956, granted by the Ministry of Human Resource Development based on a recommendation from the University Grants Commission. The institution originated from the Islamic Academy of Education, a non-profit trust founded in 1991 by DR. Yenepoya Abdulla Ruzbi, dedicated to empowering minorities, particularly Muslims. It started with the establishment of a Yenepoya Dental College in 1992, followed by the Yenepoya Institute of Nursing Sciences (1994), Yenepoya Medical College (1995), Yenepoya Nursing College (2002), and Yenepoya Physiotherapy College (2003). In 2007, a trust was formed with the goal of attaining Deemed-to-be University status. Subsequently, the institution expanded to include the Yenepoya College of Pharmacy & Research Center (2007), Yenepoya Institute of Arts, Science, Commerce and Management (2017), Yenepoya Ayurveda Medical College and Hospital (2008), Yenepoya Homeopathy Medical College and Hospital (2008), Yenepoya Naturopathy & Yoga Science College & Hospital (2020), Yenepoya School of Allied Health Sciences (2020) and Yenepoya School of Engineering & Technology College (2024). All these offer undergraduate, postgraduate and Ph.D programmes.

Today, Yenepoya (Deemed to be University) has on its rolls nearly 7000 students. To improve that quality have been the signature of the Institutions. Yenepoya (Deemed to be University) has been accredited by NAAC with an "A+" grade. The Yenepoya has been Ranked 95 among the top 100 universities in the country as per the NIRF Rankings 2024 published by the Ministry of Human Resource Development, Government of India. Yenepoya Dental College has secured 26th rank among the top Dental Institutions in the country by NIRF.

The institution encompasses four campuses located near Mangalore, Karnataka, each catering to specific colleges and facilities. The main campus is situated in Nithyananda Nagar, Deraskarte, spanning 36.76 acres, while other campuses house different colleges and hospitals. The institution embraces the motto "Rabbi Idini Ilma," which translates to "Lord, increase me in knowledge" from the Holy Quran.

About Astra

We are delighted to unveil Astra 2.0—a vibrant All-India-level Allied and Healthcare Fest that promises an electrifying blend of sports and cultural events. This dynamic platform is designed to celebrate talent, diversity, and the spirit of student life.

Following the resounding success of Astra '24 in May 2024, we are thrilled to elevate this event to new heights. Last year, Astra '24 brought together 12 esteemed institutions from Karnataka, Kerala, and Tamil Nadu, showcasing exhilarating competitions in football, volleyball, basketball, badminton, and throwball. This year, we aim to set an even higher benchmark!
