About Us

Yenepoya (Deemed to be University) is renowned for its excellence in education, cutting-edge research, and global impact. It fosters innovation, critical thinking, and interdisciplinary learning, attracting top faculty and students from around the globe. Equipped with state-of-the-art facilities and a dynamic learning environment, it prepares graduates to be leaders and changemakers, contributing to the advancement of society while upholding a commitment to academic integrity, inclusivity, and sustainable growth.

The Audiology & Speech-Language Pathology clinical services began at Yenepoya Medical College Hospital in 2000. In 2020, the University recognized and provided independent departmental status. In 2020, the Department of Audiology and Speech-Language Pathology was established under Yenepoya Medical College, a constituent college of Yenepoya (Deemed to be University), and was accredited by the statutory body of Rehabilitation Council of India (RCI), New Delhi, to initiate the undergraduate training program Bachelors in Audiology and Speech-Language Pathology.

The Department of Audiology and Speech-Language Pathology is dedicated to advancing the science and practice of communication and hearing healthcare. The department offers comprehensive training for undergraduate students focusing on theoretical and clinical excellence. The department provides advanced diagnostic and therapeutic services catering to a diverse spectrum of speech, language, hearing, and swallowing disorders.

The well-equipped, world-class clinical infrastructure provides hands-on experience to students while delivering high-quality care to the community. The department collaborates closely with medical professionals, educators, and researchers from various disciplines to provide holistic care and foster interdisciplinary learning.
