

Report on World Environmental Observational Day

On the Occasion of World Environmental Observational Day Department of Community Health Nursing in collaboration with Red Ribbon Club Yenepoya Nursing College organized Environmental Awareness Program at Kalkatta Govt School, Manjanady on 24th September 2022 between 10.00 am to 01.00 pm. Various flowers, fruits, croton and medicinal plants were planted and a beautiful garden was created for the school. Mrs. Navya, Assistant Professor, Program officer of Red Ribbon Club, Yenepoya Nursing College created awareness regarding students role in environmental protection. Mrs. Malathi, Headmistress, Kalkatta Govt School, Manjanady, Mrs. Shycil Mathew, Assistant Professor, Community Health Nursing Department and Ms. Daisy D Souza, Program officer of Red Ribbon Club, Yenepoya Nursing College were present for the programme. Around 280 school childrens benefitted from this program. GNM students of Yenepoya Institute of Nursing Science created environmental awareness.
