**Extension Activity: Prevention and management of Reproductive tract infection  
(Awareness talk +health Camp)**

Department of OBG Nursing in collaboration with Red Ribbon Club, Yenepoya Nursing conducted extension activity for Anganwadi workers on the topic “Prevention and Management of Reproductive tract infection” on 13<sup>th</sup> January 2022 from 10:00am-1.00 pm at CDPO office, Sweekara Kendra, Vamanjoor, Mangaluru.

Programme began with the welcome note by Mrs. Navya, Assistant Professor stage-1 at 10:00am. Mrs. Janet, Vice Principal(Administration), Yenepoya Nursing College welcomed the gathering. The chief guest of the programme- Mrs. Shayla K Karige, Child Development Programme officer, Mangaluru Rural, addressed the gathering. Programme was inaugurated with Prayer song and by lighting the lamp. Vote of thanks was delivered by Mrs. Navya, Assistant Professor stage-1, Yenepoya Nursing College. Following the inauguration, refreshment was arranged for participants and delegates.

Mrs. Akshatha Kamath, DSRC Counsellor, Wenlock Hospital, Mangaluru gave a health talk on Prevention and management of Reproductive tract infection. After the talk, health camp was arranged for screening RTI, blood sugar and BP.

Total 44 Anganwadi workers benefitted from the programme. 3 UG students and 1 PG student from Yenepoya Nursing College participated in the Programme. Ms. Amisha S Amin, Organizing Secretary, Mrs. Navya, Red Ribbon Club coordinator and Mrs. Janet Miranda, Vice Principal (Administration), coordinated the event.

Feedback was obtained from the participants at the end of the programme.
