## GUIDELINES

- Each team with 4 students in a group must select a tune from any popular song of either Hindi/English/Kannada/Malayalam language.
- Only Pharmacy related lyrics for the chosen song must be written. Lyrics irrelevant to the theme will not be considered.
- It is mandatory to write your own lyrics without referring to any similar readymade sources.
- Preferably, either personal musical instruments or Karaoke/track must be used. It's mandatory to submit the karaoke/track of the chosen popular song on or before 21.11.2023.
- Judgement will be based on criteria such as Creativity, Meaning (Relevance to theme), choice of rhyming words, Sync with the selected song and basic singing technicalities like tune, chorus sync, tempo/rhythm.
