

Certificate Course in Implantology – Basic Level

16th to 18th of July 2024

The second module of the Certification course in Implantology-basic level was conducted from 16th to 18th July 2024. Dr. Anjan Shah Maxillo-Facial Surgeon from Bangalore and Dr Hasan Sarfaraz were the resource persons. During the module the participants were introduced and trained in Direct and indirect Sinus lift procedures through didactic lectures and a live demonstration on direct sinus lift. The lectures also included topics on Implant supported over dentures and implant failure. The participants discussed their cases with the mentors and placed implants for their patients, applying the knowledge gained during the sessions.
